

Everything you need to connect your scheme in a few steps.

1 CREATE SCHEME TRUSTEE PROFILE

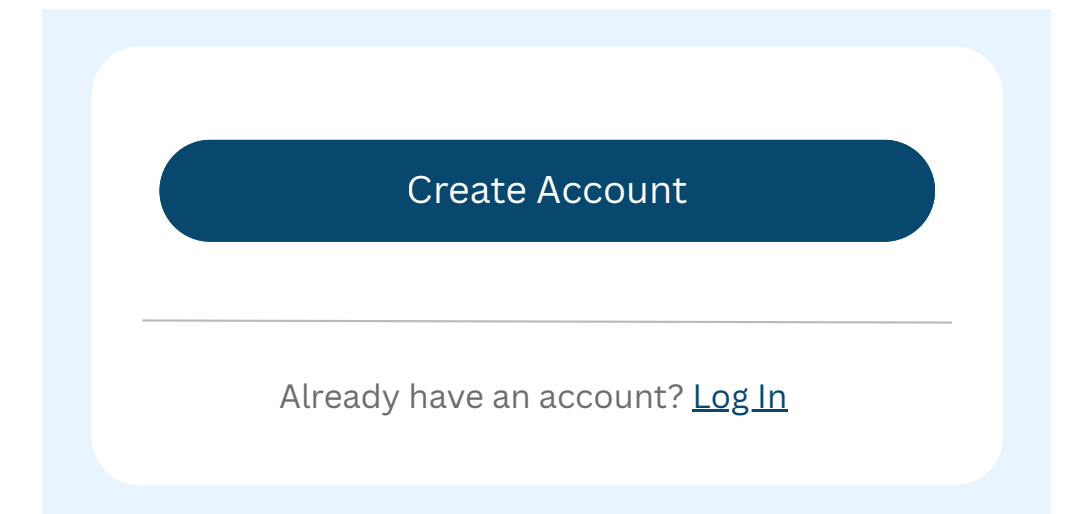

The Account Manager creates the scheme profile and adds the first Trustee using their mobile number.

2 DOWNLOAD THE APP

The Trustee downloads the ResConnect app from the App Store or Google Play.

3 CREATE YOUR ACCOUNT

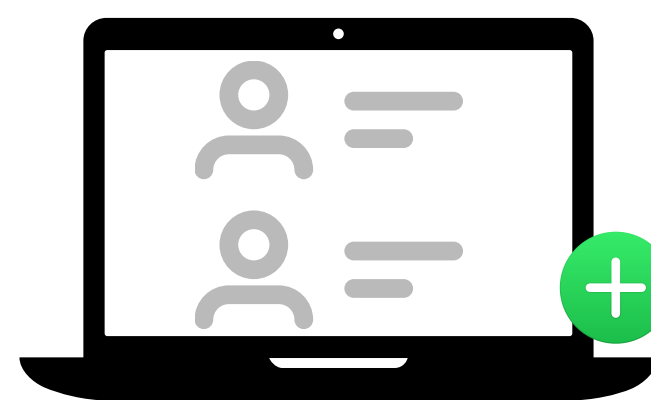

The Trustee **creates an account** using the **SAME** mobile number used when creating their profile. **Once verified, they can access and manage their scheme.**

ADD TRUSTEES

4 TRUSTEES DO NOT JOIN USING THE SCHEME CODE

For security and control, follow these steps:

1

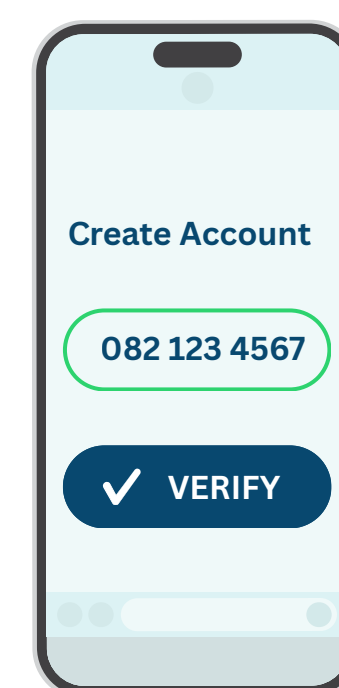

The Trustee creates a profile for each Trustee in the app.

2

The Trustee downloads the ResConnect app

3

The Trustee creates an account using the mobile number linked to their profile.

4

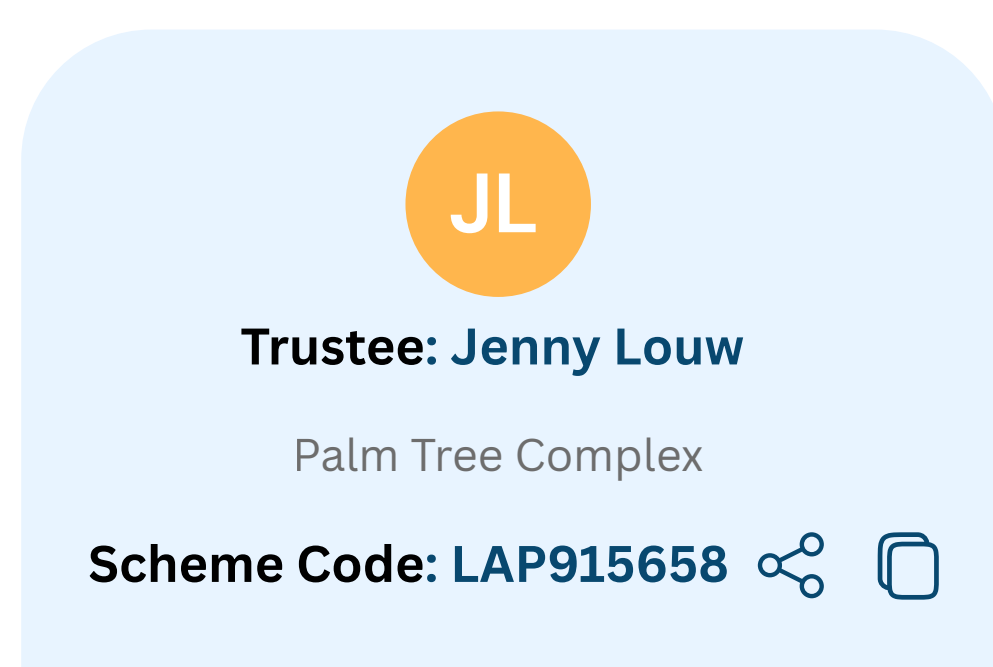

Trustee access is automatically activated.

ADD OWNERS & TENANTS

5 SHARE YOUR SCHEME CODE

The Trustee shares the unique Scheme Code with owners and tenants.

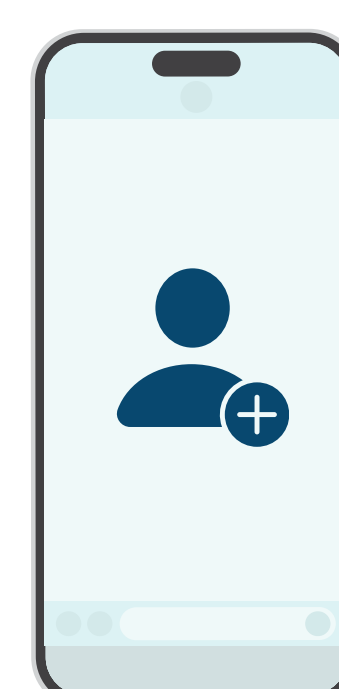

Owners and tenants simply:

1

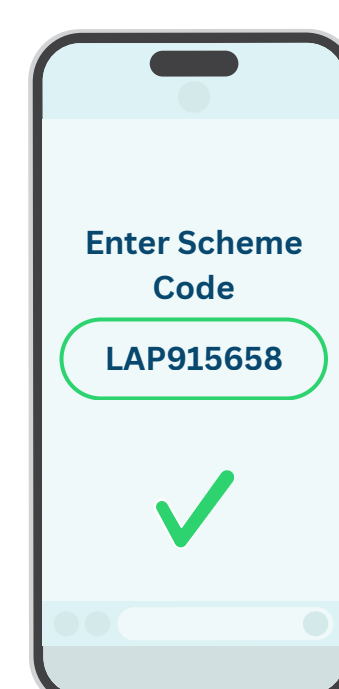

Download the app

2

Create their account

3

Enter the Scheme Code

4

Start using the app

They can now log issues, access updates, view shared information and stay connected
